

# ESSAY<sup>®</sup>

## STUDENT CHAIR

### PLASTIC SHELL

Wall-friendly design; shell swivels within the radius of the base.

### CHEVRON BACK

Unique chevron-shaped back holds backpacks or bags and prevents slipping to floor; cutouts provide ventilation.

### TABLET ARM

Double pivoting tablet arm is available in two shapes and supports both left and right handed users; large enough for both a device and a notepad.

### CUP HOLDER

Optional black swivel cup holder.

### TRAY

Cut-outs on tray allow debris to easily be swept away; chevron design allows bags left on the floor to be tucked in securely, reducing tripping hazards.

### CASTERS

Hard or soft roll casters are available.

### GLIDES

Hard or soft static glides are available.

# ESSAY IS MORE THAN A STUDENT CHAIR, IT'S A LEARNING CHAIR.

ESSAY STUDENT CHAIR

## WITH SMART DESIGN AND INTUITIVE FUNCTIONALITY, ESSAY IS THE EASY ANSWER.

From official classrooms to informal settings, Essay is prepared and ready to perform. Available in 8 signature colors and as a student chair, task chair, and stool, Essay has the right combinations to fit your needs.

Essay's wall-friendly design allows for ease of movement without concern of marring wall surfaces. The student chair's tray base allows personal items to be tucked away, under the seat and out of the way. Choose from a rectangle or chevron shaped tablet arm, which features a non-handed dual work zone that allows left-handers and right-handers to efficiently use both digital devices and paper materials.
