GBCI COURSE ID: 0920015267 - 1 hour session - CEs - 1
DESIGNATION: General
CLASSIFICATION: Intermediate

COURSE DESCRIPTION:

A mind-boggling number of environmental standards exist. It seems each day something is greener, better, and calling louder than the standards of years past. This CEU seeks to define and compare leading sustainability programs in the market and explain the key role furniture plays within each. We will compare level® and BIFMA's rating systems and explain their applications and relevance to help demystify furniture's role in sustainability.
