For Immediate Release:

National Office Furniture's Chicago Showroom Blends Workstyles and Lifestyles to Deliver an Adaptable Space

JASPER, Ind., June 10, 2019 - National Office Furniture, a unit of Kimball International, Inc., invites guests to experience a reinvention of the office. In their Chicago showroom, they have created an adaptable workspace that not only focuses on productivity, but also on the discovery of how physical and emotional wellness complete an environment.

By incorporating casual comfort and personal connections, while embracing holistic wellness, the Chicago showroom is truly an inspiring destination. It is welcoming and warm, with layers of texture and thoughtful sensory spaces. Inviting corners dedicated to personal inflection create an intimate retreat from daily stress, offering the opportunity to recharge the mind, body, and soul.

In today's fast-paced work world, National feels it's tremendously important to design and develop spaces that not only allow work to happen, they promote comfort which sparks a sense of belonging and a personal connection. Their showroom space is filled with new product introductions, sneak peeks of upcoming products, and intriguing examples of ingenious industrial and interior design. Their products are also featured in The Merchandise Mart, with their partners Arc-Com and BIFMA.

Be sure to visit National to see these products, and more:

Weli™ Seating Collection Introduction

The Weli collection of seating focuses on supporting the people who heal, learn, discover, and aid everyday activities in healthcare settings. Weli's broad range of solutions accommodates diverse physical needs and social preferences. Guest chairs feature varied seat dimensions to ensure comfort for a wide range of users. Rocker, patient chair, and easy access seating solutions create supportive and comfortable options for all that visit healthcare spaces.

Tessera® Casegoods Enhancements

National has enhanced their already successful Tessera line of casegoods to include new adjustable height L-shaped solutions, bar and counter height conference tables, and wall panels with intriguing surface materials. The new wall panel configurations offer stone and concrete materials as well as a variety of storage and shelf units, including slanted and lighted options.

Swift™ Lounge Collection Enhancements

The Swift modular lounge collection has been enhanced to include vertical stitching options and an inset plinth base, giving it even more design versatility. Swift also offers mobility, technology, and tablet arms that bring smart solutions to all users. Its table collection adds usable surfaces to complete any configuration.

Grin® Seating Collection Enhancements

Grin seating has been enhanced to include worksurface, bar, and counter height stools, as well as guest seating options. This collection of solutions also includes lounge seating and a complementary ottoman, creating a robust offering. With high and low profile choices, sled bases, and mobile options, Grin offers a variety of solutions and functionalities that fulfill any combination of workstyle needs and lifestyle comforts.

National's showroom space also features additional new products and sneak peeks of conceptual solutions. To learn more about each new product, stop by the showroom or visit www.NationalOfficeFurniture.com/ChicagoShow2019.
