For Immediate Release:

National Office Furniture Introduces a Robust Task Seating Portfolio

JASPER, Ind., November 18, 2019 - National Office Furniture, a unit of Kimball International, Inc., announces new task seating introductions that join their existing task solutions, creating a robust portfolio. By offering such a thorough range of solutions, National delivers thoughtful design, exceptional comfort, and intuitive functionality.

In addition to introducing new task solutions, National is unveiling their Find Your Sit tool, allowing customers to easily find the solution that best fits their needs. This interactive tool features simple questions about function, aesthetics, budget, and assembly requirements and will recommend the National task seating solution that's most appropriate.

Vora™ Task Seating

Its distinct woven mesh pattern and sleek black frame allow Vora to be easily integrated into any environment. With a variety of ergonomic and adjustability options, along with varied arm configurations, [Vora](#) is a go-to solution when time and budget are tight.

Whirl™ Task Seating

When style and comfort are on the top of the list, [Whirl](#) is the right solution for task intensive areas. Available in 6 different mesh back colors, and with an adjustable lumbar support and optional headrest, Whirl features an extensive array of ergonomic support. It offers flexibility for large scale spaces or task focused areas.

“We are excited to introduce new task solutions that complement our existing offering, with a wide range of functionality, style, and value,” said Vanessa Englert, National’s Director of Product. “This comprehensive portfolio enables customers to choose features and options that suit their specific ergonomic requirements, design desires, and budget needs.”
