- Cleaning code W

ARMS

- Encased uprights are made of reinforced glass filled nylon

Height Adjustable Arms

- Provides height adjustments for optimal support of elbows and shoulders while working and support while rising from chair
- Adjusts in height with a push button to 1 of 8 positions with a 2¾" range

CONTROL MECHANISM

Swivel Tilt Control

- The standard swivel control mechanism allows seat to rotate 360°
- One upright locking position
- The pneumatic gas cylinder lift allows the seat to raise or lower to minimize pressure placed under thighs

Knee Tilt Control

- Chair tilts from a pivot point located near the front edge of the seat
- Six locking positions
- Provides a minimal rise of the seat and allows feet to stay flat on the floor when the chair is tilted backward
- The pneumatic gas cylinder lift allows the seat to raise or lower to minimize pressure placed under thighs

BASE AND CASTERS

- Black nylon 5-prong base features glass filled nylon for beauty and long life
- Black, 50 mm double wheel casters
- All bases have hard free rolling casters which work on multiple surfaces
- Soft casters for hard floors are available on N54MM1ST, N54MM1KT, N54MM3ST, and N54MM3KT (configurable models); upcharge applies to this option
